Summary

Results-driven Social Media Manager with 4+ years of experience helping startups, international brands, and agency clients grow through strategic branding, digital marketing, and social media management. Experienced in leading creative teams, managing projects from ideation to execution, and delivering engaging organic content alongside high-performing paid campaigns across Meta, Google, and LinkedIn. Successfully completed 125+ projects for international clients through Fiverr, earning 80+ five-star reviews while building strong digital brand presence across SaaS, FinTech, EdTech, travel, sports, e-commerce, and creative industries. Skilled in content marketing, performance marketing, lead generation, and AI-powered marketing workflows using ChatGPT, Claude, and Manus AI to streamline processes and improve campaign performance

Professional Experience

Social Media Manager | Nebs-IT

Dec 2025 – Present

- Led a 6-member creative and social media team, overseeing projects from ideation to execution across multiple digital marketing campaigns
- Managed the digital presence of Nebs-IT's multiple ventures through strategic marketing campaigns, content planning, and brand positioning, targeting SaaS, FinTech, and EdTech founders.
- Developed and executed 100+ marketing campaigns, including static posts, reels, carousels, motion graphics, and paid advertisements across Facebook, Instagram, LinkedIn, and X.
- Collaborated with designers, developers, video editors, and marketing teams to transform campaign ideas into high-performing digital assets.
- Planned and successfully executed 10+ company cultural events, internal campaigns, product launches, and team engagement activities, managing end-to-end coordination, logistics, and cross-functional collaboration.
- Maintained direct communication with clients, presenting campaign strategies, collecting feedback, and ensuring project objectives were delivered on schedule.
- Leveraged AI tools including ChatGPT, Claude, and Manus AI for content ideation, campaign planning, copywriting, market research, and workflow optimization, accelerating creative production while maintaining brand quality and consistency.
